The UK Riders 2019 is a perfect opportunity for unaffiliated combinations of horse and rider to take part in a UK National Championship, professionally run, within an encouraging, fun and supportive environment.

The Challenge has a 3-tier structure. Firstly, local qualifiers are held around the country from the 1st September 2018 up to 30th July 2019. On attaining the relevant qualifying criteria and becoming a Member of UK Riders, competitors will be able to take part in the second round Regional Qualifiers.

Regional Qualifiers are held during June, July and August at selected centres around the UK. Successful combinations at the Regional Qualifiers can then take part in the UK Riders National Championships!

Three disciplines are on offer this year, Dressage, Showjumping and Showing.

For showing combinations, a place in the top 3 of a class, qualifies you for the Nationals. Note that Showing combinations need only to qualify in the first round to take part in the National Championships.

The Dressage Challenge offers tests from Intro to Elementary and the Showjumping Challenge offers heights start at 40cm up to and including 1m.

The Challenge is split into two sections, Pony, (14.2hh & under) and Horse, (above 14.2hh). Showing consists of both In Hand & Ridden classes with a wide-ranging selection of classes.

UK RIDERS DRESSAGE RULES
